Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Response to Amendment

The reply filed on 3/17/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have failed to address each and every independent claim in their remarks. Although Applicants grouped independent claims 1, 26, 51, 72, 115, 124, 141-142 and 171-174 together in arguing the limitations regarding the “patched OS function,” not all of these independent claims contain this feature. Specifically, claims 51, 72, 115, 124, 172, and 173 do not include this limitation and thus Applicants have failed to address the patentability of these claims over the prior arts of record in the response filed 3/17/2008. For these reasons the reply filed is not fully responsive. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
